MEDICARE CLAIMS

Medicare claims can be processed at the time of your consultation if you swipe your EFTPOS card. We will submit your claim to Medicare on your behalf and your refund will be deposited directly into the bank account attached to your EFTPOS card within minutes. Please note, Medicare rebates cannot be made to a credit card account. If you do not want to swipe your EFTPOS card, you will need to register your bank details with Medicare to get electronic refunds directly deposited into your bank account. If you have not registered and do not swipe your EFTPOS card, you will need to submit the relevant information to Medicare to make a claim. You will need to submit this claim either at a Medicare branch or online.
